When filling out the form, please be sure to print the information in capital letters using a **black** ink pen, making sure to keep each letter or number within the borders of each block. If you use anything other than a **black** ink pen, the form may not be read by the computer and may be rejected. You will be required to correctly fill out and sign a new form. The Beneficiary Designation Form must be filed directly with the Fund Office.

DO NOT alter the form in any way. This includes cutting, crossing out unused sections, highlighting, taping over any section, etc. If the form is altered, you may be required to correctly fill out a new form.

YOUR SIGNATURE is required on page 2. If your form is not signed, it will be rejected as invalid, and you will be required to correctly fill out and sign a new form. We require the completed form with an original signature. A photocopy, fax, or e-mail will not be accepted.

No other form of designation may be used. The Plan requires that the designation of a beneficiary must be a person or persons. However, it may also be your estate or a Trust. If you designate a Trust, please provide a copy of the document that contains contact information so it is available to the Fund Office at the time of your death.

Beneficiary designations may be updated at any time by filing a new Beneficiary Designation Form with the Fund Office.

In accordance with the Retirement Equity Act of 1984, if you are married when you retire, your spouse must give written consent to your designation of beneficiaries made for the optional form of payment you elect at that time. Your spouse must also give written consent to any change in that designation made thereafter. If this applies to your situation, please ask the Fund Office for the Change in Beneficiary Designation Form.
